

THOMAS JEFFERSON UNITARIAN UNIVERSALIST CHURCH
GREEN SANCTUARY

A Green Sanctuary is a congregation that creates a sustainable life style for its members as individuals and as a faith community. In this way we fulfill our commitment to the Unitarian Universalist Seventh Principle: "Respect for the interdependent web of all existence of which we are a part."

Our GREEN SANCTUARY COMMITTEE strives to fulfill our commitment by:

- Building awareness of societal environmental issues among our members.
- Encouraging commitment for personal lifestyle changes
- Motivating members to take community action on environmental issues
- Fostering a connection between spiritual practice and environmental consciousness
- Building awareness of and rectifying environmental injustices
